USAID
FROM THE AMERICAN PEOPLE

The UNDP and USAID are calling on all small and medium enterprises (SMEs), including sole proprietors, operating in the area of Durmitor, Bjelasica and Komovi from the following municipalities of Žabljak, Šavnik, Plužine, Pljevlja, Mojkovac, Kolašin, Bijelo Polje, Berane and Andrijevica, to participate in the:

Eco Challenge - Small Grants Programme

The goal of the Eco Challenge - Small Grants Programme is to recognize and reward the established good practices and business assets, and to further stimulate collaboration between entrepreneurs in the North of Montenegro. The business owners will be expected to team up in designing new product(s) or service(s) and/or improving existing ones. The main requirement is that the business activities focus on improving the inhabitants' quality of life through sustainable usage of natural resources in the aforementioned regions. To be eligible for this competition, applicants should propose cooperation of a minimum 3 (three) companies who are working in the specified fields and are registered in Montenegro

The deadline for submission of applications is 10th October 2012.
