

Pursuant to Article 10, paragraph 2 of the Law on Information Security (Official Gazette of the Republic of Montenegro 14/10), the Ministry for Information Society and Telecommunications adopted the following

## **RULEBOOK ON INFORMATION SECURITY STANDARDS**

### **Article 1**

The present Rulebook shall establish information security standards applied to implementation of information security measures stipulated by the regulation of the Government of Montenegro.

### **Article 2**

For the implementation of information security measures referred to in Article 1 of the present Rulebook, the following MEST Montenegrin standards shall be applied:

- 1) MEST ISO/IEC 27001:2009,
- 2) MEST ISO/IEC 27002:2009.

### **Article 3**

The present Rulebook shall enter into force on the eighth day following its publication in the Official Gazette of the Republic of Montenegro.

Number: 051-01-214/1-13  
Podgorica, 29 January 2013
